Central Statistics Office**

Dated 5<sup>th</sup> Magha, Saka 1940  
25<sup>th</sup> January, 2019

**Payroll Reporting in India: An Employment Perspective - November, 2018**

**Introduction**

1. Since April, 2018 this Ministry has been bringing out the employment related statistics in the formal sector covering the period September 2017 onwards, using information on the number of subscribers who have subscribed under three major schemes, namely, the Employees' Provident Fund (EPF) Scheme, the Employees' State Insurance (ESI) Scheme and the National Pension Scheme (NPS).

2. As mentioned in the earlier series, since the numbers of subscribers are from various sources, there are elements of overlap and the estimates are not additive. Detailed information is separately published on the respective organizational websites for the period September, 2017 till November, 2018. The information is based on the number of subscribers, and the tables reflect a dynamic status. The data in Section 2.1 includes information, month-wise as well as gender-wise, on the number of new members who have started subscribing to EPF, the number of members that have temporarily stopped their subscription and the number of members who restarted contribution during the month-having stopped subscription in the past. The data in Section 2.2 includes information month-wise as well as gender-wise, in respect of ESIC, on the number of existing employees who paid contribution and the number of newly registered employees who are paying contribution during the month. The data in Section 2.3 includes information month-wise as well as gender-wise, in respect of NPS, on the existing subscribers and new subscribers contributing during that month.

### **Endnote: Coverage and Sources of data**

1. The Employees' Provident Fund Scheme (EPF) is a mandatory savings scheme under the **Employees' Provident Funds and Miscellaneous Provisions Act, 1952**. It is managed under the aegis of Employees' Provident Fund Organization (EPFO). It covers every establishment in which 20 or more persons are employed (and certain other establishments which may be notified by the Central Government even if they employ less than 20 persons each), subject to certain conditions and exemptions as provided for in the Act. The pay ceiling is Rs.15000/- per month. Persons drawing pay above Rs. 15,000 are exempted or can be enrolled with some permission or on voluntary basis. The number of members subscribing to this scheme gives an idea of the level of employment in the formal sector. The data on subscribers-new members, exited members and those subscribers that re-started their subscription is sourced from EPFO. More details are available at [www.epfindia.gov.in](http://www.epfindia.gov.in).
2. The **Employees' State Insurance Act, 1948** is applicable to non-seasonal, manufacturing establishments (other than a mine subject to the operation of the Mines Act, 1952 (35 of 1952), or a railway running shed) employing 10 or more workers. For health and medical institutions, the threshold limit is 20 or more workers. ESI Scheme for India is an integrated social security scheme tailored to provide socio-economic protection to the workers in the organized sector and their dependents, in contingencies, such as Sickness, Maternity and Death or Disablement due to an employment injury or occupational hazard. The wage ceiling is Rs.21000/- per month. Subscribers are termed as Insured Persons (IP) and a new IP number can also arise due to change in employment. Employees may cease to pay contribution due to wage exceeding the statutory ceiling of Rs.21000/- per month or owing to resignation, death, retirement or dismissal. The number of subscribers of this scheme also gives an idea of the level of employment in the formal sector. Data is sourced from Employees' State Insurance Corporation (ESIC) and the information may have an element of duplication with EPF data and is thus not additive. More details are available at [www.esic.in](http://www.esic.in).
3. The **Pension Fund Regulatory and Development Authority (PRFRDA)**'s National Pension scheme (NPS) is an easily accessible, low cost, tax-efficient, flexible and portable retirement savings account. Under the NPS, the individual contributes to his retirement account and also his employer will co-contribute for the social security/welfare of the individual. NPS is designed on defined contribution basis wherein the subscriber contributes to his account, there is no defined benefit that would be available at the time of exit from the system and the accumulated wealth depends on the contributions made and the income generated from investment of such wealth. Any citizen of India, whether resident or non-resident, individuals who are aged between 18 – 60 years as on the date of submission of his/her application can subscribe to the scheme. From 1<sup>st</sup> January 2004, the central and the state governments have adopted this scheme for new employees except for armed forces. This was extended to other establishments from 2009 onwards. More details are available at [www.pfrda.org.in](http://www.pfrda.org.in).
